B-SEW INN EDUCATION DIVISION has been working hand-in-hand for over seventeen years with schools across Oklahoma, Missouri, and Arkansas to provide them with new technology in sewing, embroidery, digitizing and quilting. Many classrooms now operate with top-of-the-line computerized equipment through funding of various programs. Each year we are thrilled to see more and more classrooms offering monogramming instruction, entrepreneurship training utilizing embroidery equipment, machine quilting, graphic design and embroidery digitizing lessons, PLUS both BASIC and ADVANCED sewing instruction for fashion design, home interior and garment construction. You have found so many ways to inspire creativity while teaching a tremendous amount of math, science, marketing/business, art, history, and computer technology. With the growth and diversity of your programs have come the challenges of the different needs based on the individual classrooms and programming. Each year we strive to offer equipment on our Loaner Programs that will be beneficial and exciting to students, educators and administrators. Although you may be familiar with the name Baby Lock, you will definitely want to check out all the advanced features of this year's program. By popular request, we've added the Baby Lock BL500A Jane to the selection for schools wanting to explore upholstery, professional sewing, and machine frame quilting.

Our Traditional Loaner Programs are uniquely designed to allow classrooms to expose their students to the newest technology of our industry, while participating educators/administrators evaluate specific equipment functions to determine classroom value prior to any investment of funds. Thru this program classrooms are allowed to try out cutting edge equipment and evaluate the technology with no obligation to purchase. Schools that like the equipment and find it to be an asset for classroom instruction, are given the opportunity to purchase the equipment at a reduced price. If the equipment is not viable for a school's particular classroom needs, the return process is simple.

B-SEW INN has worked closely with Baby Lock USA to design THREE OPTIONS for the 2011-2012 Classroom Equipment Loaner Programs. The Equipment Loaner Programs are also the perfect option for schools that want to test out the viability of entrepreneurship with the embroidery and digitizing technology now available from Baby Lock USA. If you have not yet prepared your students for the FUTURE of the FASHION & DESIGN OR Textile Industry, this is your opportunity to make your first step. But you must act now! These FREE equipment programs are available for any qualifying school within the B-Sew Inn Authorized area. Regardless of size, district, or current classroom equipment, you can participate. Just follow the three simple steps below and let your students start creating on tomorrow's fun and easy equipment.

1. **Select the appropriate Program Option(s) from the selection above.**
2. **Complete the enclosed "Program Agreement" and "Authorization For Hands-On Training Commitment". Be sure to obtain permission from your administrator. Signature of administrator/supervisor is required in two areas. Select your 1st and 2nd choice training options.**
3. **Fax both (see step 2) documents to 1-800-689-3288. Then mail the paper copies to: B-Sew Inn Education Division, Attn: Josie Baird, 2530 Chandler Rd, Muskogee, OK 74403.**

*Each year, B-Sew Inn Education Division is only able to secure through Baby Lock USA a limited number machines. Therefore, your documents will be numbered based the receipt of faxed copy. Because of the limited quantities available for this program, the request to participate will be filled on a first come, first serve basis. Reserve your FREE equipment for ONE SCHOOL YEAR by returning your completed agreement quickly. All schools granted participation will be notified by mail and/or email. Once all the equipment has been allocated, a waiting list will be formed. In the event a school is unable to complete their obligations, the equipment will be offered to the next eligible school. Questions about this program or any other classroom needs should be directed to Josie Baird, educational consultant at **1-888-560-3227 ext 107**, Monday through Friday, 8:30am to 5:00pm.*

Baby Lock USA and B-Sew Inn are committed to meeting the needs of educators and students. We believe learning should be fun and motivating. We continue to see that technology is the first step. The **Baby Lock Equipment Programs** are a tremendous opportunity for teaching students about technology for tomorrow's world and we encourage you to take advantage.

B-SEW INN
PROGRAM A , B, or C -- TRADITIONAL LOANER PROGRAM AGREEMENT

Equipment Loaner Agreement (this "Agreement") is made between

B-Sew Inn LLC, (OWNER)

AND _____ (SCHOOL).

PO# _____

When should invoice for training be dated:

Physical address of the SCHOOL is: _____ (street address);

_____ (city); _____ (state); _____ (zip code).

Contact information is as follows:

School Phone # _____ School Fax # _____ E-mail Address _____

and states the agreement of the parties as follows:

EQUIPMENT SUBJECT TO AGREEMENT: The SCHOOL shall use equipment listed here (the "EQUIPMENT") rent-free for ONE CONSECUTIVE FALL AND SPRING SEMESTER: (1) Baby Lock Ellure Plus BLR3 Embroidery Machine (2) Baby Lock Enlighten BLE3ATW-2 Serger (3) Baby Lock BL500A Straight-Stitch Professional Machine.

RISK OF LOSS, DAMAGE OR INJURY: The SCHOOL assumes all risk of loss and damage to the EQUIPMENT from any cause and agrees to return EQUIPMENT to OWNER or its designee in the condition received from OWNER, normal wear and tear expected. Liability for injury to students, teachers and other persons caused by operating, handling, or transporting the EQUIPMENT during the term of this PROGRAM is the obligation of the SCHOOL, shall indemnify and hold BABY LOCK USA AND OWNER harmless from and against all such liability.

AGREEMENT TERM: This AGREEMENT shall begin on the date equipment is received, and shall terminate on May 1, 2012. The last day of class use will be April 20, 2012. All un-purchased equipment must be returned to B-Sew Inn Education Division BEFORE May 1, 2012. Invoices will be submitted to the SCHOOL for all unreturned equipment on May 1, 2012. Equipment returned after the invoicing date, but before May 15, 2012 will be subject to a 20% restocking fee. Participating SCHOOLS agree to assume full financial liability for all unreturned equipment after May 15, 2012.

CARE AND OPERATION OF EQUIPMENT: The EQUIPMENT may only be used and operated in a careful and proper manner. Its use must comply with all laws, ordinances, and written instructions relating to the possession, use, or maintenance of the EQUIPMENT. BABY LOCK USA does require school educators to attend hands-on training to assure proper use of equipment.

MAINTENANCE AND REPAIR: The SCHOOL shall maintain the EQUIPMENT in good repair and operating condition allowing for reasonable wear and tear. The procedure for general maintenance is simple and will be taught at training.

RETURN OF EQUIPMENT: At the end of the AGREEMENT term, the SCHOOL shall be obligated to return the EQUIPMENT to OWNER at the SCHOOL'S own expense unless the SCHOOL purchases the EQUIPMENT from OWNER at the end of the AGREEMENT term. The SCHOOL agrees to retain the original box and packing materials and return the equipment packed in such box. Replacement Costs and/or Repair Cost for any damage caused by improper or inadequate shipping procedures will be fully assumed by the SCHOOL.

OWNERSHIP AND STATUS OF EQUIPMENT: The EQUIPMENT will be deemed personal property, regardless of the manner in which it may be attached to any other property. OWNER shall be deemed to have retained title to the EQUIPMENT at all times unless OWNER transfers the title by sale. The SCHOOL shall immediately advise OWNER regarding the notice of any claim issued against the EQUIPMENT.

RIGHTS TO DEFAULT: If the SCHOOL is in default of any of its obligations under this AGREEMENT, OWNER may take possession of the EQUIPMENT as provided by law and hold the SCHOOL responsible for any damages to the EQUIPMENT.

ENTIRE AGREEMENT AND MODIFICATION: This AGREEMENT constitutes the entire agreement between the parties. No modifications or amendment of this AGREEMENT shall be effective unless in writing and signed by both parties.

GOVERNING LAW: This AGREEMENT shall be constructed in accordance with the laws of the State of Oklahoma.

Agreed on this _____ day of _____, 2011

**NEW Equipment Programs from Baby Lock & B-Sew Inn
TECHNOLOGY EQUIPMENT LOANER PROGRAMS
for the 2011-2012 SCHOOL YEAR**

AUTHORIZATION FOR HANDS-ON TRAINING

As part of Baby Lock's agreement with B-Sew Inn, hands-on training is required to assure proper usage of the equipment. This training will be vital to maximize the benefits of the equipment and to help your school year flow successfully. For your convenience, multiple training sessions are available and will be held in **four (4) different cities**. We will add more sessions if we find that the situation warrants. Please review the Training Schedule and fill in your preferred training date accordingly.

The Equipment Loaner Programs are available to all qualifying public schools and there is **no cost for the usage of the equipment** during the school year. There is a nominal **Program Training & Supplies Fee** which includes:

- Hands-On Training Workshop
- All handouts and materials necessary for training; based on your selected program
- Use of an instructional video or DVD and/or manufacturer's manual for the 2011/2012 school year
- A Toll Free Help Line for the 2011/2012 school year
- Unlimited basic instruction classes (if needed) at any B-SEW INN retail location
- Appropriate starter supplies to complete training, such as threads, stabilizers & other key products; exact items are based on your selected program. If additional supplies are needed, the school may purchase them through B-SEW INN EDUCATION DIVISION at a special school discount. B-SEW INN EDUCATION DIVISION offers a free-freight program – details to be given at the training.

PROGRAM TRAINING & SUPPLIES
