

**Are you out going, self-motivated & love working with people?**  
**Are you a creative enthusiast & enjoy hobbies such as sewing, quilting or embroidery?**  
**If you answered yes to either of those questions, we want to meet you!**

## Store Manager

### A day in the life...

The Retail Store Manager is responsible for managing sales, operations and day-to-day functions of the store to deliver an inspiring customer experience while maximizing profitability.

- Meet the needs and desires of our customers by demonstrating and selling sewing machines and related products
- Create inspiring displays of merchandise and samples
- Motivate and inspire your team to achieve their full potential
- Create the ultimate customer experience while focusing on strategic, operational, and leadership excellence
- Drive sales by overseeing daily sales floor operations
- Consists of a 50 hour, 5 day work week with evenings and Sundays off

### This is “sew” for you if you have...

- High School Diploma or equivalent
- 2+ years of retail management experience required
- Excellent communication, verbal & written skills
- Ability to create an inspiring environment for both customers and team members
- Strong commitment to customer service
- Statistical track record in all areas of sales
- Strong organizational skills & ability to multi-task in a fast-paced environment
- Great leadership, training and team building skills
- Ability to work a flexible schedule
- Knowledge of administrative aspects of store operations

### We’ve got you covered...

We offer a comprehensive benefits package that includes health insurance, vacation days, personal days (PTO), holiday pay, pre-tax retirement program, a competitive compensation program based on experience & manufacturer product certifications, and fabulous team member discounts.

*We are an equal opportunity employer committed to providing a diverse environment.*

This job description is intended to describe the general nature of the work team members can expect within the job classification. It is not a comprehensive inventory of all duties, responsibilities and qualifications required for this position. Product and Sales training will be provided through written guides, online classes and ongoing team training.
